

SEALS Up-Close Aquarium Adventures®

The Adventure Aquarium has licensed use of
Aquarium Adventures, a registered U.S. Service mark.

Congratulations! You are one of the brave individuals who have decided to dive in and participate in our unique Aquarium Adventure program. Please review the following guidelines and policies to ensure that you have the best possible experience. Our staff will be here throughout the experience to assist you.

Description: The Seals Up-Close encounter is an interactive tour enabling Adventure Aquarium guests the opportunity to enter the behind-the-scenes area where our husbandry staff cares for our grey and harbor seals. You will be engaged in training sessions, tossing tasty treats, and will have the opportunity to communicate with our seals via hand signals. You will leave the experience with a clear understanding of positive training techniques that we encourage you use at home with pets of your own. Guests will receive instructions regarding procedures and guidelines before entering Seal Shores.

What You Get: Included in the Seals Up-Close price is your admission to the aquarium and free parking for 1 car per paid participant. You will also receive a souvenir t-shirt, a photo opportunity of the experience, and memories from the experience of a lifetime!

Guests participating in the **Seals Up-Close** program should check-in at Will Call (windows #7 & 8 at Ticketing) before reporting to the Information Desk in the lobby. There you will be greeted by a member of the Adventure Aquarium husbandry staff and led to the dressing room area. **Your purchase includes admission to Adventure Aquarium, so come in early to tour and take your time to get ready for the experience!** The sessions will start promptly at the scheduled time and late arriving participants may not be able to join the session.
